

Matt's Gut Busters at the Pughtown Rita's!

"I ain't afraid of no Crohn's!"

Who are we?

Matt's Gut Busters is a team participating in the 2013 Philadelphia Take Steps Walk for Crohn's Disease and Ulcerative Colitis in May.

Why are we fundraising?

We are fighting to cure Crohn's and Colitis, two debilitating and chronic diseases that affect the digestive system. Approximately 1.4 million Americans suffer from Crohn's and Colitis.

Who is Matt?

This is Matt Roberts. He is your almost typical 12-year-old boy. He attends OJR Middle School, where he loves science, plays percussion in the band and talks about video games with his friends. The only thing that makes Matt different is the fact that he was diagnosed with Crohn's in 2008. Last year alone he was absent, tardy or went home early from school 102 days because of the disease. As much as he tries not to let it, Crohn's steers his life.

Help us knock out Crohn's and Colitis by coming to The Pughtown Rita's (on rt. 100 across from Connie Batdorf field) on August 23rd and mention "Matt's Gut Busters" for our first fundraiser of the year!

How much we earn is entirely dependent on how many people come out!

For more info search "Matt's Gut Busters" on Facebook or go to ccfa.org
